## NOW IS THE TIME TO BUY FLOOD INSURANCE!

- Insure your property for your flood hazard.
- Flooding can be a major concern. Sources of flooding include flash flooding following a heavy rain, ponding related to drainage issues, backwater flooding and coastal flooding.
- Every resident and business owner in St. John the Baptist Parish is at some level of flood risk; and flood insurance is available to help reduce the financial impact of a flood whether your building is in a high flood risk area (or the Special Flood Hazard Area) or not.
- While most disasters are covered under a standard homeowner's policy, flooding is not, and remember, there's a 30 day waiting period from the date of purchase before your policy goes into effect. Therefore, now is the best time to buy flood insurance.
- Flood insurance claims are paid even when federal disaster assistance is not available. You can speak to a licensed insurance agent to get more information!

## RETURNING HOME

- Do not return home until Parish is declared safe
- Do not walk or drive in flooded areas
- Do not interfere with rescue and recovery workers
- Stay off of the roads
- Use telephone for emergencies only
- Stay away from loose dangling power lines
- Conserve water
- Open windows and doors to ventilate homes

Report downed power lines immediately to Entergy at  
**1-800-9OUTAGE**

### PICKING UP THE PIECES

Following these specific guidelines when hauling hurricane-related debris and household garbage to the curb will make for a speedier removal process

**WRONG WAY**

**CROSSING THE LINE**  
Any debris placed from the sidewalk toward your property will not be picked up. Contractors cannot collect items on private property.

**PROPPING UP**  
Do not set debris against trees or poles. Doing so makes it harder for cleanup crews to scoop up the items.

**CORRECT WAY**

Homeowners and businesses are being asked to separate debris into the following categories:

<p><b>1 HOUSEHOLD GARBAGE</b></p> <ul style="list-style-type: none"> <li>▶ Bagged trash</li> <li>▶ Discarded food</li> <li>▶ Packaging, papers</li> <li>▶ All garbage should be placed curbside the night before the scheduled weekly pickup.</li> </ul>	<p><b>2 CONSTRUCTION DEBRIS</b></p> <ul style="list-style-type: none"> <li>▶ Building materials</li> <li>▶ Drywall</li> <li>▶ Lumber</li> <li>▶ Carpet</li> <li>▶ Furniture</li> <li>▶ Mattresses</li> <li>▶ Plumbing</li> </ul>	<p><b>3 VEGETATION DEBRIS</b></p> <ul style="list-style-type: none"> <li>▶ Tree branches</li> <li>▶ Leaves</li> <li>▶ Logs</li> </ul>	<p><b>4 HOUSEHOLD HAZARDOUS WASTE</b></p> <ul style="list-style-type: none"> <li>▶ Oils</li> <li>▶ Batteries</li> <li>▶ Pesticides</li> <li>▶ Paints</li> <li>▶ Cleaning supplies</li> <li>▶ Compressed gas</li> </ul>	<p><b>5 'WHITE' GOODS</b></p> <ul style="list-style-type: none"> <li>▶ Refrigerators</li> <li>▶ Washers, dryers</li> <li>▶ Freezers</li> <li>▶ Air conditioners</li> <li>▶ Stoves</li> <li>▶ Water heaters</li> <li>▶ Dishwashers</li> </ul>	<p><b>6 ELECTRONICS</b></p> <ul style="list-style-type: none"> <li>▶ Televisions</li> <li>▶ Computers</li> <li>▶ Radios</li> <li>▶ Stereos</li> <li>▶ DVD players</li> <li>▶ Telephones</li> </ul>
